## DPS Educational Society: A Legacy of Excellence

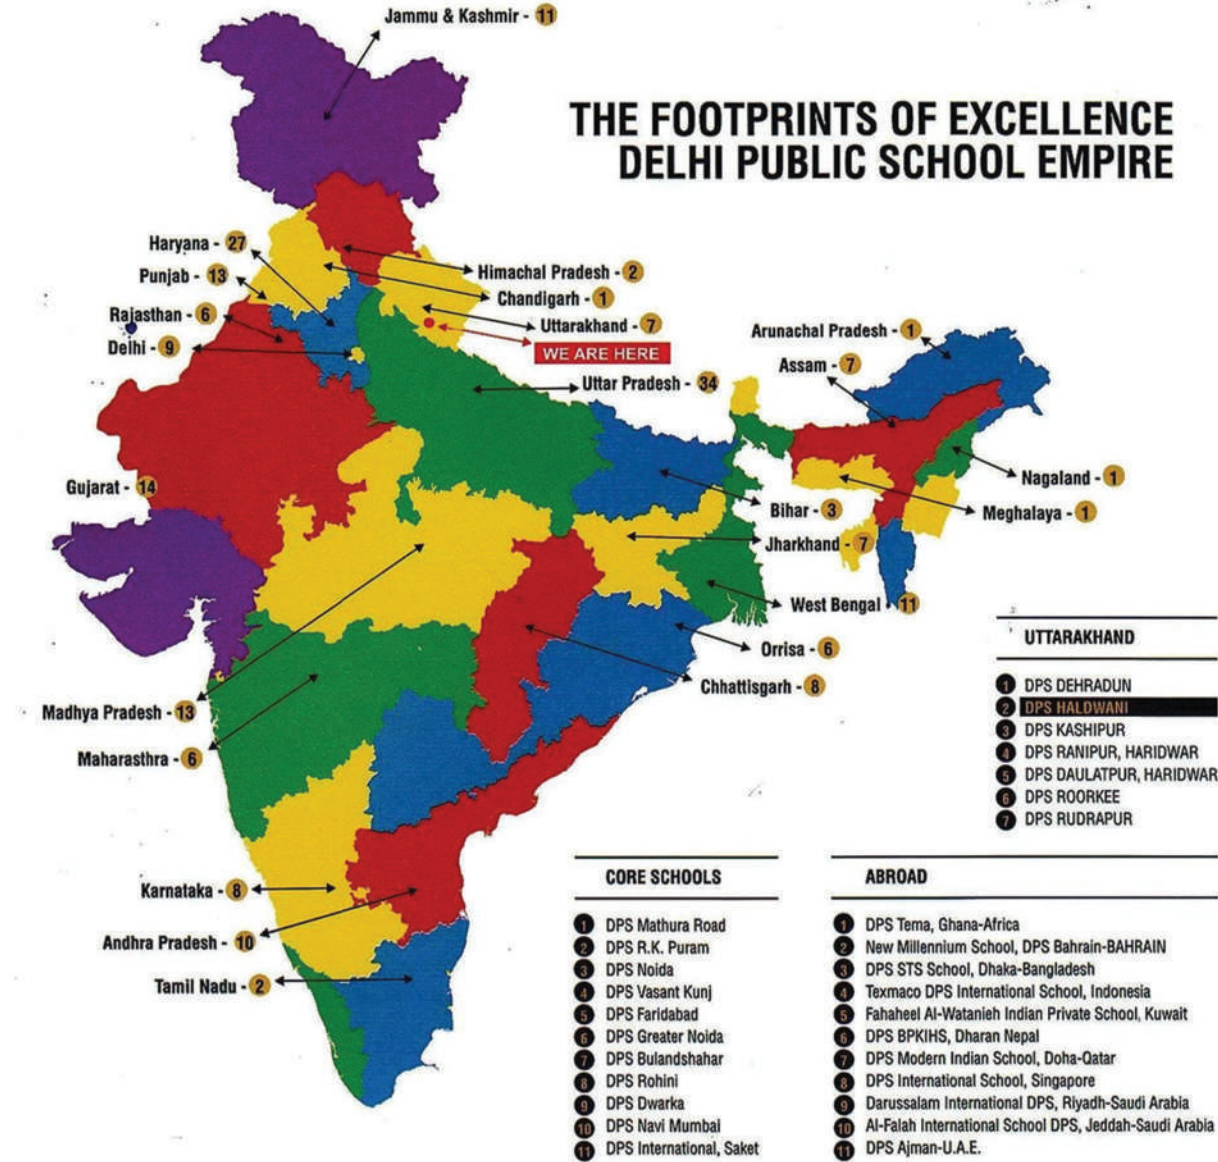

The DPS Educational Society, established in 1949, has played a pioneering role in shaping the educational landscape of India. With over seven decades of experience and a presence across more than 500 schools, DPS continues to uphold its mission of delivering quality education to all, without discrimination. At the heart of its philosophy lies the value of "Service Before Self," with a strong focus on building empathy, leadership, and responsibility in every student. The Society's holistic approach includes academic excellence, co-curricular development, and physical wellness — laying the foundation for balanced growth in every child.

Over the years, DPS has extended its educational philosophy beyond national borders, reaching students in countries like Kuwait, UAE, Qatar, Nepal, and Singapore.

The schools under its banner integrate modern learning with technology, delivering curricula that are dynamic, relevant, and rooted in strong values. These institutions have consistently nurtured students who grow into thoughtful, confident individuals — equipped to lead in diverse sectors of society.

The DPS legacy is reflected in the remarkable achievements of its alumni, many of whom have gone on to become national and global leaders. From economists like Dr. Raghuram Rajan to influential figures in media, law, the military, and governance, DPS has played a role in developing some of the country's most respected minds. Guided by visionary leadership and grounded in time-tested values, the Society continues to inspire excellence in every new generation it touches.

- Affiliated with CBSE, IGCSE & ICSE
- Global Reach with schools in India & beyond
- Alumni of Icons – Dr. Raghuram Rajan, Rajat Sharma & more

## Chairman's Message:

Education is not just about knowledge.  
It's about shaping futures.

Padma Bhushan

### Dr. V.K. Shunglu

I am glad to know that team DPS-Jofferguda, Hyderabad, has successfully crossed the first milestone and is now gearing up with all its resources and expertise for the academic session 2020-2021 to uphold the DPS Vision and Philosophy in the field of education. Your child will be in the safe hands of a team that has imbibed the philosophy of the DPS Society, which has more than seven decades of innovation to back it.  
I wish them very best in their venture.

### Dr. V K Shunglu and his accolades in the education sector:

Dr. V K Shunglu, a multifaceted personality, best known for his role as the Comptroller and Auditor General of India (CAG) is the undenied guiding light of DPS Society. His visionary leadership and legendary presence has helped DPS Society scale newer heights, expanding its horizons globally, paving way to greater achievements day by day.

## Pro-Vice Chairperson's Message:

Learning is a journey, not a destination.

### Dr. M. Vijaya Nirmala

Ex. RTI Commissioner (AP & TS)  
M.Com, M.A., MBA, M.Phil &  
Ph.D

At DPS-Jafferguda, we believe education is a lifelong journey, not just a destination. Learning goes beyond books and degrees—it is about enlightening the mind and applying knowledge for personal and cultural growth. Just like the body needs exercise, the mind requires stimulation for holistic development. Our institution is dedicated to nurturing young minds and bodies, equipping them with the confidence to face the world's challenges.

In today's fast-paced world, children miss out on learning from nature and real-life experiences. DPS-Jafferguda stands apart by ensuring a well-rounded education that blends strong Indian values with the CBSE curriculum. We strive to shape future leaders with a global outlook, grounded in a strong foundation of knowledge, character, and holistic growth.

## Vision:

Our vision is to provide an environment where students are empowered to discover their true potential. Through deep learning, creativity, and innovation, we nurture the skills that will guide them toward lifelong success, preparing them for an ever-changing world.

## Mission:

- Create a safe, exciting learning environment
- Integrate AI & modern tech into education
- Encourage creativity, innovation & design thinking
- Instill Indian culture, ethics & values
- Shape independent, decision-making leaders

## Why DPS Jafferguda?

At DPS Jafferguda, every student's journey is uniquely crafted to foster academic excellence, personal growth, and societal contribution. Our interactive learning spaces, technology-driven education, and world-class infrastructure ensure students develop holistically—not just in academics but also in arts, sports, and life skills.

## Core Values:

Building Tomorrow's Leaders

At DPS Jafferguda, education goes beyond books. We nurture values that make our students strong, responsible, and adaptable.

### Balanced learning

Tradition meets modern education

### Innovation & creativity

Preparing for future challenges

### Vision & leadership

Empowering students to lead

### Nature & sustainability

Learning through conservation

### Empathy & respect

Fostering a culture of inclusivity

A World Crafted  
for Curiosity,  
Growth, and Endless  
Possibilities.

# Infrastructure

Where Learning Meets Innovation

DPS Jafferguda is designed to inspire. A campus that blends architecture, technology, and nature to create an optimal learning environment.

- Smart Classrooms – WiFi-enabled, interactive learning
- Sports Facilities – Swimming, football, tennis, basketball, volleyball
- Auditorium & Amphitheater – A hub for creativity & expression
- Well-Equipped Library & Labs – Fueling curiosity & exploration
- Safety First – CCTV-monitored, hygienic, and student-friendly campus

**We don't just teach subjects,  
we shape minds!**

## **Our Teaching Philosophy & Faculty**

### **The Pillars of Excellence**

At DPS Jafferguda, learning is not about memorization—it's about understanding, questioning, and applying knowledge.

#### **Our Approach to Education:**

- **Interactive Learning:** Encouraging discussions, debates, and hands-on experiences
- **Experiential Teaching:** Learning through projects, experiments, and real-world applications
- **Global Perspective:** Preparing students for a competitive international environment

#### **Our Faculty:**

- Highly qualified & experienced educators
- Trained in modern teaching methodologies
- Committed to student growth, beyond textbooks

# Our Curriculum

## CBSE Program

The Central Board of Education (CBSE) is a national board for public and private schools in India. Its curriculum covers five learning areas: Languages, Social Science, Mathematics & Technology, Science & Physical Education, and Performing & Visual Arts. These areas intersect through a transdisciplinary approach, providing in-depth knowledge and understanding.

## CBSE Vision

CBSE aims for a holistic education that fosters excellence. It promotes intellectual, social, and cultural growth, empowering students as future global leaders. The Board emphasizes Continuous and Comprehensive Evaluation for holistic development and a stress-free learning environment

## Objectives of CBSE Curriculum

- Ensure stress-free, child-centered, and high-quality education.
- Monitor and enhance academic quality through stakeholder feedback.
- Set norms, coordinate, and supervise academic and training activities.
- Innovate teaching methods aligned with psychological and social principles.
- Encourage student-friendly progress documentation.
